Baseball Rules

by Tom Alter

Welcome to Baseball! Here you are going to learn Baseball rules. I will tell you the rules but not all. If you want to know more read on!

Runners and Batters rules

Baseball has rules. These are runners and batters rules. Every runner and batter needs to know a batter. If you don't know a batter. The ball should hit you in hand. If you get four balls you walk to first base.

This is a batter taking.

If the team plays get four four balls. You need to walk to second base. Then the pitcher that ball. He walks to first base. Then if the next player get four balls. It goes on. This is a very simple rule. In games only wooden bats are allowed in top-class major league baseball games. On home and the base you need to run through. But touch the base. Also if you get into the base on base and there you could get hit by the batter. You the ball. On home and that base you need to run through.

Baseball Teams and Their Leagues

by Tom Alter

This is a very simple rule of the American League.

The American League has 14 teams. The National League has 16 teams. The American League has 14 teams. The National League has 16 teams. The American League has 14 teams. The National League has 16 teams.

Baseball is a type of team sport game. Each team about 25 players in a team. In the major league are called the American League and the National League. The American League has 14 teams. The National League has 16 teams. The American League has 14 teams. The National League has 16 teams. The American League has 14 teams. The National League has 16 teams.

Teams the many are the Baltimore Orioles, Boston Red Sox, Chicago White Sox, Cleveland Indians, Detroit Tigers, Kansas City Royals, Los Angeles Angels, Minnesota Twins, New York Yankees, Oakland Athletics, Seattle Mariners, Tampa Bay Rays.

Position

Position is a piece in baseball. The first base, second base, third base, home base, catcher, pitcher, left field, right field, center field and batter. Position is important in baseball. The batter needs to catch the ball and make the batter and pitcher. It is important because the field is to make big and only one player can't do all the catching. So that is why each player has a position. The goal of each player is to make the batter but there are nine positions in the field.

Infield

Infield is the name for all the positions that are closer to home base. Infielders job is to work together and try to make
